Disclaimer: Calvert Social Investment Foundation, a 501(c)(3) nonprofit, offers the Community Investment Note, which is subject to certain risks, is not a mutual fund, is not FDIC or SIPC insured, and should not be confused with any Calvert Investments sponsored investment product. This infographic is neither an offer to sell nor a solicitation of an offer to buy these securities; the offering is made only by the prospectus, which should be read before investing.

METHODOLOGY: 260 Calvert Foundation investors responded to a survey in August 2013 that asked about their investment motivations and demographic information. We blended this information with Community Investment Note sales data. This infographic represents the characteristics of investors who invested in Calvert Foundation’s Community Investment Note, but does not represent all socially conscious investors.
